

Jichikai (Residents Association) Organization Chart

Jichikais are voluntary groups organized by people living in the same area and engaged in activities to deepen friendships in the community and to solve common problems.

The Sagami-hara City Federation of Jichikais is engaged in coordination and various activities with each Jichikai and each district federation in order to promote the welfare and mutual friendship of local residents.

Jichikai Membership Application

Please contact your local Jichikai's board member or contact the Sagami-hara City Federation of Jichikais Secretariat if you do not know the Jichikai in your area.

You can also apply to join a Jichikai from the website.

Regular interaction with the local community becomes a great asset when helping each other in times of disaster.

- Main Activities of Jichikai -

Let's strengthen community ties and create a safe, secure and livable community together.

Disaster prevention

We prepare for disasters in the community through disaster drills.

Crime prevention

We conduct security patrols to prevent crimes such as burglary and snatching.

Friendship and interaction

We deepen exchanges among people in the community through events such as festivals.

Support for people requiring assistance during a disaster

We watch over people in the community as a support for people who need assistance in the event of a disaster.

Traffic safety

We watch over children on their way to and from school in order to protect the safety of children.

Do you have someone close to you that you can rely on in an emergency?

Self help

Nearby help
Mutual help

Public help

First of all, yourself!

Next is your neighbors
Cooperation in the community

Then, assistance from the local government

Creating neighborhood relationships that support and help each other
